

CORONAVIRUS (COVID-19)

Resources for Businesses

The Coronavirus is causing financial difficulties for businesses and employees across the United States. Here are resources that can help you navigate this difficult situation:

Disaster Assistance Loans from the SBA

The Small Business Administration (SBA) has created a comprehensive Coronavirus page with all of its resources in one place. You can find those resources at [SBA.gov](https://www.sba.gov) or [sanmarcostexas.com](https://www.sanmarcostexas.com).

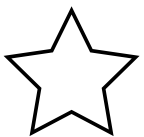

Assistance from the SBDC

Small Business Development Centers (SBDC) are local offices sponsored by the SBA to help small businesses. SBDCs are offering extensive help to small businesses throughout America. Learn more at <https://americassbdc.org/coronavirus-information>.

Contact Workforce Solutions Rural Capital Area

Workforce Solutions Rural Capital Area (WSRCA) can assist with customized outplacement or layoff aversion strategies at no cost. Rapid Response provides early intervention assistance to help transition affected workers to their next employment. More information can be found at www.workforcesolutionsrca.com or by calling 844-344-2780.
